What GIFT is BETTER than HELPING A CHILD?

The Children's Advocacy Center of Suffolk County provides abused children and their families a safe place to be heard. A donation to the CAC is a simple and powerful way to help a child on his or her path to healing and safety.

How can my \$25 gift made a difference?

- **Books and journals:** Receiving a book during their CAC visit contributes to a child's feelings of well-being and safety and in turn assists him/her on their path to recovery.
- **Toys, games...and fun:** The reason for a child's visit to the CAC is undoubtedly stressful and emotional. Your donation helps us to fill our playroom with toys and laughs!
- **A ride to safety and guidance:** Help us to provide children and families with convenient and safe transportation to the CAC.

For more information about making a donation and how it will be used, please call 617-779-2146 or [click here](#).

Fighting child abuse...one STRIDE at a time!

Runners for the Children's Advocacy Center of Suffolk County are going the distance for children ... 26.2 miles to be exact!

The CAC is proud to have the support of 5 runners in the 114th **Boston Marathon** on April 19th. Join us in cheering on **Tennessee District Attorney General Daniel Alsobrooks, Jane Woodbury, Lauren Bernath, Amanda Byrne, and the CAC's own Elizabeth Schon Vainer.**

Every stride of the 26.2 miles is another step in our fight against child abuse. Please join us in supporting our runners, but most of all, join together and support the children of Suffolk County...after all, that's who this is really all about.

A very BIG thank you!
