SEMINAR SERIES

Pathways to Permanency Program

presented by

Rona Sandberg, LICSW & Kristina Konnath, LICSW

The Trauma Center

The Trauma Center's Pathways to Permanency Program strives to strengthen and support families in providing foster and adoptive children with a nurturing and stable home environment. The program offers services that include caregiver support, psycho-education, and consultation. These services are provided by clinicians with extensive experience working with childhood trauma and foster care and adoption related issues. The seminar will focus on adoptive and foster parents' experiences and needs caring for children with trauma histories.
