

# THE GINORMOUS CLIMB

## CAC STAIRCLIMB ⚡ APRIL 2, 2016

At the *Children's Advocacy Center of Suffolk County*, we meet young heroes every day.

Over 1,500 children are referred each year to the Center.

Their courage to speak up about abuse and violence in their lives is heroic...

and they inspire all of us.

You can be a hero too!  
Climb the 60 floors to the top of New England's tallest building: 200 Clarendon - formerly John Hancock Tower!

Will you accept the challenge and **step up** for young heroes?

Get started on your *Ginormous Climb* and register today! Rally the support of family, friends and colleagues to help reach your goal. Along the way, you will be helping kids feel safe, cope with trauma, seek justice and heal.
