## **How To Make a SEEN Referral**

**The steps to respond to a concern of exploitation are the same for both mandated reporters and concerned individuals.**

1. File a report (51A) of suspected child abuse with the Department of Children and Families (DCF). Whenever possible, alert the SEEN Case Coordinator that you have made this report.
2. DCF will make a discretionary DA referral which will be sent to the Case Coordinator.
3. The SEEN Case Coordinator will call you shortly after the referral has been made.

## **What Happens Next?**

The Support to End Exploitation Now (SEEN) is a groundbreaking partnership among more than 35 public and private agencies who believe that only genuine collaboration can yield positive outcomes for exploited youth. SEEN operates on a community-wide response model that is built upon mutual understanding and trust, and the belief that youth empowerment and offender accountability are not mutually exclusive.
