

Mental Health Program Position Available January 2026

Title: Mental Health Clinician

The Children's Advocacy Center of Suffolk County (CAC) unites public, private and community partners to promote safety, healing, and justice for children exposed to violence and abuse. The CAC works closely with an array of agencies to coordinate high-quality investigations of alleged child sexual abuse, severe physical abuse, and exploitation; provide support and services to children and families; offer specialized training for a diverse range of audiences; and to prevent child abuse in our community.

THE CAC SEEKS A MASTER'S LEVEL MENTAL HEALTH CLINICIAN TO SUPPORT CHILDREN AND NON-OFFENDING CAREGIVERS IN CASES OF ALLEGED CHILD SEXUAL ABUSE, PHYSICAL ABUSE AND EXPOSURE TO VIOLENCE.

Candidates will receive training in evidence-based mental health interventions including Child and Family Traumatic Stress Intervention or CFTSI (an evidence-based early intervention for children 7 to 18 years old that reduces traumatic stress reactions and the onset of post-traumatic stress disorder), Problematic Sexual Behavior-Cognitive Behavioral Therapy (PSB-CBT) for children 3 to 12 years old, and Trauma-Focused Cognitive Behavioral Therapy (TF-CBT) for children and adolescents impacted by trauma and their parents or caregivers to help reduce trauma symptoms.

Responsibilities include:

- Establish a supportive relationship with caregivers by initiating and maintaining regular contact (often beginning with a visit to the CAC);
- Contribute to Multidisciplinary Teams (MDTs) by assisting caregivers as a support, liaison and advocate before, during, and after team meetings, as appropriate;
- Assist caregivers in identifying mechanisms to best support themselves, their child(ren) and other non-offending family members;
- Assist caregivers with referrals and access to mental health, housing, safety planning, medical and legal services, as appropriate;
- Conduct trauma screening and mental health assessments, as appropriate and indicated;
- Provide trauma symptom assessment, Child and Family Traumatic Stress Intervention (CFTSI);
- Provide Problematic Sexual Behavior-Cognitive Behavioral Therapy (PSB-CBT) for children and their caregivers referred due to the child's own problematic sexual behavior;
- Provide Trauma-Focused Cognitive Behavioral Therapy for children and their caregivers;
- Provide other mental health support services to child victims and their caregivers, as needed;
- Manage a clinical therapy caseload of 10 clients, at minimum;
- Maintain appropriate client case records and documentation in accordance with CAC policy and guidelines;
- Maintain ongoing relationships with on-site and off-site partner agencies;
- Attend all staff meetings, case reviews, in-service training and other meetings, as required;
- Other duties, as required.

Qualifications:

- **MASTERS DEGREE IN PSYCHOLOGY, SOCIAL WORK OR COUNSELING IS REQUIRED; LICSW or LMHC PREFERRED**
