stop · block · talk

If someone asks you for something personal like where you live – **STOP**. If someone asks you for a picture or tells you to take a video of yourself and send it to them – **STOP**. If someone is being rude, says something mean to you or calls you names – **STOP**. Don't reply and don't call them names back. And if you feel like being mean to someone yourself – **STOP**.

If you are playing a game or chatting with someone and they keep asking you the same questions that you don't want to answer – **BLOCK**. If you are talking or playing a game with someone and they are making you mad, sad or uncomfortable – **BLOCK**. If someone is threatening you or tells you they will do something to embarrass or hurt you – **BLOCK**. **You don't ever need to feel bad about blocking someone who does these things.**

And if whatever happened bothers you or makes you feel worried – **TALK** to someone you trust. If you don't know what to do – **TALK** to a friend or trusted adult. And if you are worried about a friend who is doing something unsafe – **TALK** to someone you trust about it.
