

Whether you game, snap or scroll, we want you to have fun and be safe on all your devices!

stop · block · talk

If someone asks you for something personal like where you live – **STOP**. If someone asks you for a picture or tells you to take a video of yourself and send it to them – **STOP**. If someone is being rude, says something mean to you or calls you names – **STOP**. Don't reply and don't call them names back. And if you feel like being mean to someone yourself – **STOP**.

If you are playing a game or chatting with someone and they keep asking you the same questions that you don't want to answer – **BLOCK**. If you are talking or playing a game with someone and they are making you mad, sad or uncomfortable – **BLOCK**. If someone is threatening you or tells you they will do something to embarrass or hurt you – **BLOCK**. **You don't ever need to feel bad about blocking someone who does these things.**

And if whatever happened bothers you or makes you feel worried – **TALK** to someone you trust. If you don't know what to do – **TALK** to a friend or trusted adult. And if you are worried about a friend who is doing something unsafe – **TALK** to someone you trust about it.

Can you sing the Stop Block and Talk song?

Sing this to the tune of the Adams Family
Theme Song and don't forget to clap!

 1. You're playing on your iPad, And something makes you feel sad,
Or maybe makes you feel mad, Well this is what to do...

 **CHORUS:**
You gotta **STOP**
You gotta **BLOCK**
You gotta **STOP**, you gotta **BLOCK**, you gotta **TALK**

 2. You're hanging out on YouTube, You think someone's a nice dude,
But then he starts to get rude, Now you know what to do...

 **CHORUS**

 3. You're looking for a llama, And someone says, "Yo mama!" Well you
don't want the drama, Now you know what to do...

 **CHORUS**

 4. So if you're on a website, Or maybe playing Fortnite, And something
doesn't feel right, Now you know what to do...

 **CHORUS**
