Independent Auditors' Report

To the Board of Trustees
Children's Advocacy Center of Suffolk County, Inc.

We have audited the accompanying financial statements of Children's Advocacy Center of Suffolk County, Inc. (a nonprofit organization) which comprise the statement of financial position as of July 31, 2015 and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Children's Advocacy Center of Suffolk County, Inc. as of July 31, 2015, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matter

The 2014 financial statements were reviewed by us and our report thereon, dated February 25, 2015, stated we were not aware of any material modifications that should be made to those statements for them to be in accordance with accounting principles generally accepted in the United States of America. However, a review is substantially less in scope than an audit and does not provide a basis for the expression of an opinion on the financial statements as a whole.

NOTES TO FINANCIAL STATEMENTS

Note 1 - Nature of Activities and Summary of Significant Accounting Policies

Nature of Activities

Children's Advocacy Center of Suffolk County, Inc. (the "Organization") is a Massachusetts nonprofit corporation formed in 1994. The Organization's mission is to unite public, private and community partners to promote safety, healing and justice for child victims and their families. The Organization works with police, prosecutors, social workers, advocates, medical and mental health professionals and others to provide high-quality, specialized services for abused children and their families.

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in conformity with the accounting principles generally accepted in the United States of America ("U.S. GAAP").

Subsequent Events

Management has evaluated subsequent events through December 15, 2015, the date the financial statements were approved and authorized for issuance by management, and determined that there were no subsequent events that would require recognition in the financial statements or disclosure in the notes to the financial statements.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect reported amounts and disclosures. Actual results could differ from those estimates.

Cash and Cash Equivalents

The Organization considers all highly liquid investments with an original maturity date of three months or less to be cash equivalents.

Contributions Receivable

Promises to give are included in the financial statements as contributions receivable and as support and revenue of the appropriate net asset category subject to a discount, if applicable, when a donor makes a promise that is, in substance, unconditional. The Organization evaluates its contributions receivable for collectability on a periodic basis and establishes an allowance based on prior experience and an analysis of specific promises made. At July 31, 2015 and 2014, the Organization considered its contributions receivable to be fully collectible. Accordingly no allowance for uncollectible amounts has been recorded.

Equipment and Improvements, Net

Equipment and improvements are recorded at cost, if purchased, or at estimated fair value at the date of gift, if donated. Major additions and improvements are capitalized, while maintenance and repairs are charged to expense as incurred. Depreciation is computed using the straight-line method over the estimated useful lives of the assets or the lease term, if shorter.

CHILDREN'S ADVOCACY CENTER OF SUFFOLK COUNTY, INC.

NOTES TO FINANCIAL STATEMENTS

Note 1 - Nature of Activities and Summary of Significant Accounting Policies (Continued)

Net Assets

The Organization is required to report information regarding its financial position and activities according to the following three classes of net assets:

Unrestricted

Unrestricted net assets are resources over which the Board of Directors has discretionary control.

Temporarily Restricted

The Organization may receive grants and contributions which are restricted by donors for specific purposes or for specified time periods. These grants and contributions are recorded as temporarily restricted net assets until they are expended for their restricted purposes or the time restriction lapses, and they are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restriction.

Permanently Restricted

Permanently restricted net assets are those resources subject to donor-imposed restrictions that they be maintained permanently by the Organization. As of July 31, 2015 and 2014, there were no net assets in this category.

Support and Revenue

Unrestricted contributions are recorded as support and revenue when received or unconditionally pledged. All contributions are available for unrestricted use unless specifically restricted by the donor. All other donor restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restriction. Transfers are made to unrestricted net assets as costs are incurred or time restrictions have lapsed.

Contributions of donated noncash assets are recorded at fair value in the period received. Meals, materials, utilities, telephone, and transportation were donated to the Organization for various operational activities during the years ended July 31, 2015 and 2014. These donations are included in support and revenue and expenses at their estimated fair values of \$43,508 and \$39,559 for the years ended July 31, 2015 and 2014, respectively. Contributions of equipment with a fair value of \$959 and \$21,804 were capitalized during the years ended July 31, 2015 and 2014, respectively.

During the years ended July 31, 2015 and 2014, the Organization was allowed to use portions of the City of Boston's Family Justice Center on a rent free basis. The estimated fair value of this donation for the years ended July 31, 2015 and 2014 was \$81,900 and \$53,500, respectively, and is included in support and revenue, and in expenses as rent expense.

CHILDREN'S ADVOCACY CENTER OF SUFFOLK COUNTY, INC.

NOTES TO FINANCIAL STATEMENTS

Note 1 - Nature of Activities and Summary of Significant Accounting Policies (Continued)

Support and Revenue (Continued)

Contributions of donated services that create or enhance non-financial assets or require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided as a donation, are recorded at their fair value in the period in which the services are rendered. Amounts satisfying these criteria for recognition in the financial statements as support and revenue and expenses were as follows for the years ended July 31:

	2015 (Audited)	2014 (Reviewed)
Executive director salary	\$ 87,500	\$ 87,500
Program coordinators salaries	116,737	71,760
Nurses salaries	85,323	83,400
Forensic interviewer salary	57,000	57,000
Related payroll taxes and benefits	42,756	21,825
Medical and mental health consulting	48,000	48,000
Development consulting	-	6,000
Trauma center consulting	<u>2,500</u>	<u>2,500</u>
	<u>\$ 439,816</u>	<u>\$ 377,985</u>

The Organization also received donated services from numerous volunteers assisting the Organization which do not meet the criteria for recognition of donated services. The fair value of these donated services is not reasonably estimable.

Income Taxes

The Organization is exempt from income taxes under Internal Revenue Code ("IRC") Section 501(c)(3). The Organization is not classified as a private foundation. Contributions made to the Organization are deductible by donors as provided in IRC Section 170.

GAAP prescribes the threshold a tax position is required to meet before being recognized in the financial statements. The tax-exempt status of an entity is considered a tax position. An additional liability for uncertain tax positions ("UTPs") is recognized and recorded as a component of current income tax expense for differences between financial and income tax reporting positions which do not meet the threshold. Any interest and penalties related to UTPs are recorded as a component of income tax expense.

The Organization has not taken any positions, including tax positions that would jeopardize its tax-exempt status, which would have a material effect, individually or in the aggregate, on its financial statements and thus has not recorded a liability at July 31, 2015 or 2014.

The Organization files tax returns in federal and state jurisdictions. The Organization is no longer subject to examinations by tax authorities for years prior to 2011. Currently, there are no income tax audits in process.

NOTES TO FINANCIAL STATEMENTS

Note 1 - Nature of Activities and Summary of Significant Accounting Policies (Continued)

Functional Allocation of Expenses

The costs of providing various programs and supporting services have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Concentrations of Credit Risk

The Organization maintains its cash and cash equivalents at various financial institutions, which at times may exceed federal insurance limits. The Organization has not experienced any losses in such accounts and management does not believe it is exposed to any significant credit risks on its cash and cash equivalent accounts.
